

PRODUCT CATALOGUE

Welcome to

Design...

Rosche has designed an extensive range of products, through our multi tier paper offering, that comprises of the Executive, Modern & Classic range. This is all supported by a vast selection of accessories in our Hygiene, VISPER, Accommodation, Industrial and Hospitality ranges. Each category is designed to ensure you can separate your business and leave a positive lasting impression for your customers and consumers in the market; all are sharp in design and tailored especially to the away from home sector. With a strong emphasis on presentation, the cutting edge design and quality is present from the outer carton to the inner wrapper. Rosche has not set limits on just having the highest quality paper products, we have also included market leading hygiene items. If it carries the Rosche brand you can be confident it represents quality. Rosche Paper has designed all products to add the highest quality experience, across the full range from toilet tissue to hand towels & accessories.

Passion...

The quality & feel of our products is accompanied by the knowledge that we have a product for your every need. Our aim is to ensure from the moment you open the outer carton you will enjoy the experience of Rosche. Manufactured from the highest quality pulps, then utilizing the latest technology in manufacturing, we strive to offer you and your customers a range that exceeds your requirements, without compromise.

With our pulps being obtained only from responsible sources, then manufactured under the strict FSC guidelines. Our passion for our paper quality, is only surpassed by our passion for the environment in which we live.

Rosche Paper:

Manufacturing from responsible sources

& thinking of future generations.

Feel...!!!
