E1 Antibacterial Dishwashing Liquid

Code No: **E101**

ESO RANGE

DESCRIPTION & BENEFITS

E1 - Antibacterial Dishwashing Liquid is a concentrated antibacterial dishwashing liquid. It combines rapid cleaning of all common food soils with excellent stable suds and tremendous fat emulsification properties. The most important aspect is its total safety and soft feel on the skin due to its superior emollient properties.

E1 effectively cleans all types of wares, removing the toughest soils. The unique detergent blend promotes sparkling clean results and does not make wares slippery to handle. It features a concentrated biodegradable formula, is free rinsing and mild on hands.
